ADOBE ILLUSTRATOR CS2

Why and for Who?

- Not satisfied with the limited clipart selection in PowerPoint?
- Want to create your company catalog?
- Want to create a more professional look promotion flyer for your company?

This hands-on workshop is intended for graphics, marketing and publications officer of a company who want to learn how to use Adobe Illustrator to create graphics for use in company profile, product catalog, advertisement, proposals, and multimedia presentations.

What will you learn?

You will start with an overview of Illustrator and work on lessons that will step you into a greater skill level. Discover the unique features of Illustrator, including how to create logos, professional type effects, complex airbrush effects and color control, layers, masks, patterns, graphs, blends, filters, custom color, and much more.

Workshop Projects

- Each participant will work on a project to produce one of the following artwork for your company:
- Company Logo
 - Product Catalog
 - Product Brochure
 - Promotion Flyer
 - Full color advertisement flyer
 - A Newsletter
 - Poster
 - Annual report cover
